### [News from January's Meeting](#)

The December show was a big success, and we received many positive comments from the evaluation form posted on the web site. All medals were given out, with 308 first place ribbons awarded. We have three community events scheduled in the future, which will hopefully increase awareness of and interest in our club. Check our web site for dates and information, and plan to be there (with rabbits) if you can.

We are already looking ahead to the March 26 show and plan to have several special contests and events. Check the web site for more information. We have hired six judges, which will allow us to have a specialty show for lion heads. Be sure to spread the word.

We will need a new show secretary for the December show this year. It's not too early to volunteer and start learning the ropes.

Because of the lengthy business meeting, Owen Yates conducted an abbreviated program, evaluating a junior Holland lop buck for both color and form.

The board approved the applications of four new members. It's really exciting to watch our club grow. We look forward to welcoming them to our meetings.

## Next Meeting - February 16, 2011

Our regular monthly meeting will be held on Wednesday, February 16, 2011, at 7:30 P.M. at the Manor Care Nursing Home, 2125 Hilliard Road, Richmond, VA.

**Program:** Owen Yates will be speaking about the Dwarfs and Polish.

### Location/Directions

Manor Care Nursing Home is located at the corners of Hilliard and Hermitage Roads in the Lakeside area of Richmond's Northside. Enter the building from the parking lot on the Hermitage Road side of the building. The door is on the side facing Hermitage Road. Take the elevator to the second floor and turn right into the recreation room. Hope to see you there!

### Refreshments

Mike Taylor is in charge of refreshments for the February meeting.

### Looking Ahead

We continue to need more programs for our 2011 meetings. We have a wealth of knowledge among our membership and hope many of you will choose to conduct a program. If you have topics you would like to see presented about raising and/or showing rabbits, please contact Mike Taylor at [rabbits.for.you@gmail.com](mailto:rabbits.for.you@gmail.com). He will be coordinating our programs.
