[News from February's Meeting](#)

Plans are underway for the March 26 show at the firehouse. We need as much help as possible on both Friday night and Saturday to set up and run the show. Please let Angela know if/when you are available. The catalog has been completed and is online. We discussed making comment cards optional for this show, as well as posting blank cards online so those who truly want them can print them out in advance of the show.

Information on upcoming events is posted on the web site. Everyone is encouraged to participate whenever possible. The Fall Farm Festival at Sky Meadows State Park on October 15 & 16 is particularly important. All club members are encouraged to attend on one of the two days.

Cindy Fournier spoke as a representative of Girl Scout Troop 30 located in the west end. We look forward to mentoring this group and plan to provide guidance, as well as information on topics of interest. We are looking for ways to reach our youth.

We still need a show secretary for the December 2011 show. It was suggested that we have a double open and double youth show this year. We could then split the secretary's job, with one person being in charge of the open and another in charge of the youth. We hope this would encourage more youth participation and lessen the work load for each secretary. If you're interested, please let us know.

Next Meeting - March 16, 2011

Our regular monthly meeting will be held on Wednesday, March 16, 2011, at 7:30 P.M. at the Manor Care Nursing Home, 2125 Hilliard Road, Richmond, VA.

Program: Owen Yates will be speaking about the Netherland dwarfs and Polish.

Location/Directions

Manor Care Nursing Home is located at the corners of Hilliard and Hermitage Roads in the Lakeside area of Richmond's Northside. Enter the building from the parking lot on the Hermitage Road side of the building. The door is on the side facing Hermitage Road. Take the elevator to the second floor and turn right into the recreation room. Hope to see you there!

Refreshments

Donna Whitfield is in charge of refreshments for the March meeting.

Looking Ahead

We continue to need more programs for our 2011 meetings. We have a wealth of knowledge among our membership and hope many of you will choose to conduct a program. If you have topics you would like to see presented about raising and/or showing rabbits, please contact Mike Taylor at rabbits.for.you@gmail.com. He will be coordinating our programs.
